Claim damages from Entity (in the amount of) \$ 1,000,000.00 arising out of the following circumstances: (Please answer the questions below)

What happened? Lori Batoit left me a voice message on Saturday April 11, 2015, on a friend's business telephone which my counsel believes amounts to extortion stating without authority of law that if I refused to talk with her she would come over to my house. Today I also learned from my investigators PSI Noel Harrison (who I hired to investigate Ms. Batoit) that when he talked with her on the phone she threatened him with criminal consecution, asserting that by calling her to investigate her personal connection to wife/child abuser John Pennington, that she would charge him with a crime

Where? (Provide as much detail as possible including street address.) Lori Batoit's criminal actions were all made via telephone (wire) and amount to RICO and retaliation under 1983.

When? (date and time) Saturday April 1, 2015; and April 14, 2015

Persons involved/witnesses. (Include name & address.) PSI Investigations, specifically Neil Harrison, Valerie Slocum, Snohomish County Reporter, and Noel Frederick

Accurately describe injury sustained or items of damage claimed. Itemize all expenses and losses. (Attach extra page if necessary) damage to my reputation, pain and suffering, and she is a personal friend to John Pennington and has taken predicate acts against me to further John Pennington's RICO enterprise. Lori Batoit is not an officer in Gold Bar nor Snohomish County, thus she had no legal authority to come over to my house, and I believe her threats without authority of law amounts to extortion, and furthers the efforts of the Enterprise in violation of RICO.

Lori Batoit also threatened my investigators via telephone (wire) that she would have him criminally charged with a crime if attempted to investigate her. This conduct amounts to extortion thus amounts to a predicate act under RICO.

Lori Batoit is attempting to thwart our legal right as news reporters to investigate her, amounting to a SLAPP suit and violation of my 1st Amendment rights. Her conduct violates my civil rights and she will be sued under 42 USC 1983.

Why is Entity responsible for this injury or damage? Lori Batoit is a employee of Duvall, she violated my civil rights and further taken predicate acts to further :Pennington's Enterprise in violation of RICO

I am attaching a link to my RICO suit filed against John and Crystal Hill Pennington as well as Duvall's law firm of Kenyon Disend Lori Batoit will be added to my RICO and 1983 suit involving the parties listed in my RICO/1983 suit
